SPX-2010
1800 WATTS

2×15" | 2 WAY | 4Ω | 18mm PLYWOOD

new product

Super power professional 2-Way PA Loudspeaker in attractive painted enclosure made of 18 mm Plywood. Fitted with two high power 38.1 cm (15") LF loudspeakers and a powerful titanium compression horn driver to deliver prominent lows, bright mids and brilliant highs. Acoustically treated bass reflex cabinet with a strong steel grille ensures protection and durability. Special trapezoidal profile of the cabinet for better stackability. Heavy duty metal handles allow ease of mobility and transportation. Ideal for use with high powered amplifiers for a variety of indoor and outdoor applications like Auditoria, DJs, Live Performances etc.
